Thema s.r.l. will confirm that such registration remains effective upon request and presentation of this certificate until the end of the calendar year stated above, unless said registration is terminated after the issuance of this certificate. Thema s.r.l. makes no other representations or warranties, nor does this certificate make any representation or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. This certificate does not denote endorsement or approval of the certificate-holder's device or establishment by the U.S. Food and Drug Administration. Thema s.r.l. assumes no liability to any person or entity in connection with the foregoing.

Pursuant to 21 CFR 807.39. "Registration of a device establishment or assignment of a registration number does not in any way denote approval of the establishment or its product.

Any representation that creates an impression of official approval because of registration or possession of a registration number is misleading and constitutes misbranding". The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration. Thema s.r.l. is not affiliated with the U.S. Food and Drug Administration.
